Pastor David's start in writing music began in fatherhood

Pastor David A. Porter, Sr. is a gifted singer and songwriter. He has sung in church choirs for over thirty-three years and since 2011 he has served as the senior pastor, worship leader and a soloist at Excel Church in Bowie, Maryland.

Pastor David's start in writing music began in fatherhood as he would make up songs to sing to his children as a way to teach them Bible scriptures. He loved aligning a Bible verse with a melody to make it easier for his children to remember.

Thirty years later, Pastor David is still writing praise and worship songs! However, it was not until 2017 that he began to share his gift with the public. With a catalog of over seventy-five songs, Pastor David is eager to allow the world to hear his music.
